APPLICATION FOR MEMBERSHIP OF THE SOCIETY

Welcome to the Society.

Your membership and support will enhance our objectives to provide moral and social welfare for current and former members of the ADF and the ministry of Defence Force Anglican Chaplains.

One hundred years of support to ADF personnel and veterans has been renewed with the construction of a new facility, "The Garland" at Rainbow Bay, Coolangatta. Completed in 2016, this facility includes three floors of modern self-contained accommodation to replace the old St George's Holiday House, and seven floors of privately owned apartments.
